Vaccine is coming, but everyone's scared

Covid-19 is so annoying

My brothers are bothering me today.  
They keep poking me and taking my stuff.

Eleanor

I will never be able to see my friends

Ella

The trees are all dying they wouldn't grow back

Miriam

Coronavirus is not letting us see friends.  
Sometimes it feels like this pandemic will never end.  
The news was scary 'don't understand what it's about.  
Things seem so unfair for some people but my parents read it allowed.

Anna

Places are closing everywhere  
Hand sanitiser's gone do you have a spare

Magali

We always need hope in our mind.  
Have faith in every step you take.

Elizabeth

I've got so much homework I don't know what to do.  
My brother's always screaming because he wants my mom.

Mae

We need to open our hearts to differences.

Claire

confidence is the only thing you need, to believe in yourself.

Fiona

The world is always changing and not all of it's for good, open your heart to peace everywhere, things never seem to work right only few people care, open your heart to peace everywhere

Aurora

Open your arms give a hug,  
Whenever you need,  
open your arms give a hug,  
we are always here for you,  
we are always here for you!!!  
You might be sad or mad,  
open your arms, give a hug,  
you could be upset, we understand,  
open your arms, give a hug!  
Open your arms, give a hug,  
whenever you need,  
open your arms, give a hug,  
we are always here for you,  
we are always here for you!!!
