Try it on
Try it on
Try it on
Try it on
Does it feel right?

Try it on
Try it on
Try it on
Try it on
Does it sit tight?

Can you move in it, groove in it?

A new idea takes a little minute

A change in the rhythm
A change in the rhythm
Sit right down in it

A brand new rhyme
A brand new rhyme
Takes a little time to grow

Try it on
Try it on
Try it on
Stretch out

Try it on
Try it on
Try it on
Stretch out

It could land with a big aha
Or it could slip in like a subtle little mmmm hmmm
